The term "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment or deformity which can be expected to result in death or can be expected to last for the duration of such person's life; however, a certification pursuant to 42 U.S.C. § 423 (d) by the Social Security Administration, so long as the person remains eligible for such Social Security benefits, shall be deemed to satisfy such definition in this section.

If less than 65 years of age, the applicant must provide, with the first application filed, a disability certification by the Social Security Administration, the Department of Veterans Affairs or the Railroad Retirement Board. If ineligible for certification by one of these agencies, the applicant must provide sworn affidavits from two medical doctors licensed in Virginia or two military officers who practice medicine in the United States Armed Forces. Blank affidavits are available online at www.loudoun.gov/taxrelief-forms or in our office for completion by your physicians.
